

WireCrafters

Color Chart

Standard Color

Gray

All of WireCrafters' products are available in the colors shown. Custom matched colors are also available on request. Unless otherwise specified all pricing is based on standard gray liquid coating. Orders for stock or custom matched colors require an additional charge and may extend delivery time.

All colors are available in powder coat finish as well as traditional liquid enamel finish. Ask your representative which type of coating is best suited for your application.

Representation of color is as close as printing techniques allow. Actual color may vary slightly. Color representation may vary from actual when viewed on computer screens.

Optional In-Stock Colors (additional costs apply)

Black

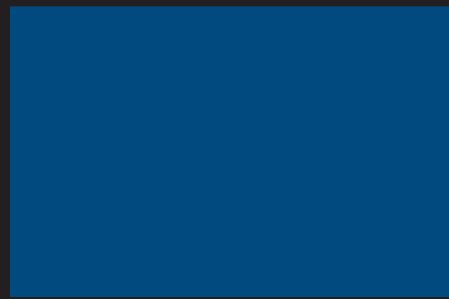

Safety Yellow

Red

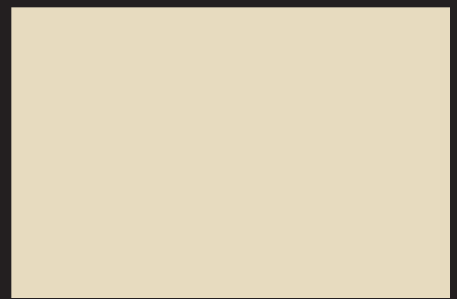

Orange

Blue

White

Tan
