Drainage, Comfort, and Safety

Apache's anti-fatigue matting for wet areas offers comfort and drainage as it elevates workers off the floor for greater safety.

Wherever You Stand - Stand on Us

Apache mats are ideal for restaurants, machine shops and industrial workstations. Apache offers a complete assortment, from top-of-the-line comfort and greaseproof construction, to economical general-purpose matting.

Industrial/Anti Fatigue - Wet Areas

- Comfortable anti-fatigue design with beveled edges.
- Available in a grease-resistant red or general purpose black color.
- WorkStep black is also available with a gritted surface for extreme anti-slip performance.

WorkStep™

Lightweight rubber drainage mat for easy handling and cleaning.

Recommended Uses:

Bar and kitchen wet areas. Oily and greasy industrial workstations.

Standard Mat Sizes:

Nominal	Metric*
3' x 5'	91 x 152 cm
3' x 10'	91 x 305 cm
3' x 15'	91 x 457 cm
3' x 20'	91 x 610 cm

*Metric based on nominal size

Custom Configurations:

Create unique shapes to fit any workspace. Call for details.

THICK

Nibs elevate mat to allow drainage

- Made from Nitrile materials, Performa 100N is ideal for demanding kitchen and industrial environments exposed to oil and grease spills.

- Performa 100N will not deteriorate from the effect of oils and fats.

- Heavy-duty 5/8" thick rubber construction provides a comfortable and safe standing surface.

- Nib backing elevates mat above surface for improved drainage and large holes size allows debris to fall through.

- Can be cleaned in commercial washing machines.

- Performa 100N is also available with a gritted surface for extra traction.

All Performa™ matting is ideal for connecting large work areas

Optional Beveled Edging
All Performa™ matting can be ordered with removable colored edging and corner pieces

Grease-Resistant Black with Grit Tuff™

Grease-Resistant Red

General Purpose Black

- Modular drainage mat with one-sided built-in connectors.
- Nib backing elevates mat above surface for improved drainage.
- Available in a grease-resistant red or general purpose black color.
- Performa Black is also available with a gritted surface for extra traction.

1 SIDED CONNECTORS
All Performa mats have built-in connectors that easily join multiple mats together to quickly create large mat areas. Disconnect for easy cleaning.

Performa™ mats are perfect for restaurants, including food prep stations and dishwashing areas

- Modular matting with 2-sided built-in connectors.
- Nib backing elevates mat above surface for improved drainage.
- Performa SD Black is also available with a gritted surface for extra traction.

Performa™

Popular anti-fatigue mat manufactured from a hard wearing rubber compound.

Recommended Uses:

Bar, kitchen and food processing areas. Oily and greasy industrial workstations.

Standard Mat Sizes:

Nominal	Metric*
3' x 3'	91 x 91 cm

*Metric based on nominal size

Colors:

Black - Grease Resistant
Apache Spec.#307
