PRODUCT APPLICATION SHEET

40 x 48 CISS MI LP .300GA Plastic Nestable Pallet - ORBIS

ORBIS' nestable 40 x 48 CISS MI LP .300GA pallet moves, stores and distributes product loads within a single warehouse/distribution center or entire supply chain.

From raw material to finished goods, reusable plastic pallets protect product until it reaches its final destination. When empty, these pallets nest for a cost-efficient return trip or warehouse storage. Their dimensional consistency ensures effortless interface with all types of high-speed automation and material handling equipment. ORBIS nestable pallets are lightweight and easy to manually handle, with no nails, splinters or broken boards to risk employee injury. This plastic pallet offers an economic, environmental and efficient alternative to wood pallets or skids.

BENEFITS

- Single sheet thermoformed (HMWPE)
- Full perimeter lip
- Recyclable
- Mirror-image (MI) design allows pallets to be used as a top cap, enabling secure double stacking of pallet loads
- Fork Truck Entry: 4-way
- Hand Truck Entry: 4-way
